### PROFILE

An undergraduate student in Informatics Engineering at UIN Sunan Gunung Djati Bandung. I have a strong foundation in frontend programming, public speaking, and proficiency in English and Arabic. My primary interests lie in web development, data analysis, and photo video editing. In addition to technical competencies, I exhibit strengths in leadership, critical thinking, and effective communication. I am eager to contribute to organizational and professional growth and am committed to continuous development, recognizing the limitless potential for personal and professional advancement.
